Title : Transportation of Equipment	Procedure # : 034	Effective : Nov 5, 2010
Section : Operating Guidelines	Page : 1 of 1	Retire : Nov 5, 2012

Statement	<p>The Manual for School Vehicle Operations produced by the Ministry of Transportation states that firearms or any object that is dangerous in nature must not be transported with students.</p>
Procedures	<ol style="list-style-type: none">1. Skates - Skate blades shall be covered by guards, tied together and carried in a bag. The skates shall be placed on the floor of the bus at the student's feet.2. Skis and Poles - Skis and ski poles may be transported on a school bus only if they are properly bound and stored in an open seat. A bus that is equipped with suitable storage space under the floor of the bus is the preferred location for such objects and should be requested whenever possible.3. Hockey Equipment - Hockey equipment may be transported on a school bus only if they are properly bound and stored in an open seat. A bus that is equipped with suitable storage space under the floor of the bus is the preferred location for such objects and should be requested whenever possible.4. Musical Instruments - Musical instruments may be transported if they can be kept on the student's lap.5. Skateboards/Scooters/Roller Blades - Skateboards, scooters, and roller blades shall not be transported on a school bus unless properly stored in a bag.6. Pets - Pets shall not be transported on a school bus with the exception of service/guide dogs or other prescribed assisting animals in accordance with (039) Transporting Students with Service Dogs.7. Other - The decision to transport other objects to and from schools shall be determined in advance by the principal and the school bus operator with STSBHN's input.
